

## **BUSINESS MOBILE REMOTE DEPOSIT SERVICES AGREEMENT**

This Business Mobile Remote Deposit Services Agreement (this "Agreement") governs your use of our "Business Mobile Deposit" service. Business Mobile Deposit is designed to allow you to make deposits of checks ("original checks") to your business accounts from home or other remote locations by scanning the original checks and delivering the digital images and associated deposit information ("images") to us or our processor using your camera enabled Mobile Device. After you login to Business Mobile Banking, you may apply for Business Mobile Deposit. "You" and "your" mean the person using Remote Deposit. "Our," "us," "we," and "bank" mean The Juniata Valley Bank. Your use of Business Mobile Deposit constitutes your acceptance of this Agreement.

**1. Other Agreements.** Your Business Online Banking Agreement and Deposit Account Agreement also remain in full force and effect and govern your use of Business Remote Deposit. In the event of a conflict between this Agreement and either your Business Online Banking Agreement, or your Deposit Account Agreement, this Agreement shall control.

**2. Acceptance of these Terms.** Your use of Business Mobile Deposit constitutes your acceptance of this Agreement. This Agreement is subject to change from time to time. We will notify you of any material change via email or by posting notice of such change on our website and such change shall be effective thirty (30) days following our posting of such notice. Your continued use of the Services will indicate your acceptance of the revised Agreement. Further, the bank reserves the right, in its sole discretion, to change, modify, add or remove portions from the Services. Your continued use of the Services will indicate your acceptance of any such changes to the Services. In the event that an immediate change is needed to ensure the security of the Services, we will post a notice of any such change on our website. You may choose to accept or decline such changes by continuing or discontinuing the Services.

**3. Limitations of Services.** When using Business Mobile Deposit, you may experience technical or other difficulties. We will not be responsible for any technical or other difficulties or any resulting damages that you may incur. Some of the Services have qualification requirements, and we reserve the right to change the qualifications at any time without prior notice. We reserve the right to change, suspend or discontinue the Services, in whole or in part, or your use of the Services, in whole or in part, immediately and at any time without prior notice to you.

**45. Eligible items.** You agree to scan and deposit only checks as that term is defined under Federal Reserve Regulation CC ("Reg CC"). At its discretion, the bank may refuse to accept certain items for deposit based on regulatory or security considerations. Examples of items NOT accepted for deposit by use of Business Mobile Deposit include, but are not limited to:

- Checks payable to any person or entity other than the business (such as checks payable to another party and then endorsed to you).
- .
- Checks that contain evidence of alteration, or that you know or suspect, or should know or suspect, are fraudulent or otherwise not authorized by the owner of the account on which the check is drawn.
- Checks not payable in US Currency, or that are drawn on a financial institution located outside the United States (for example Canadian items) even if payable in US Currency;
- Checks that are otherwise not acceptable under the terms of your bank account

**6. Requirements of Images.** The image of an item transmitted to the bank using Business Mobile Deposit must be legible and contain images of the front and back of the check. The image quality of the items must meet the standards established from time to time by the American National Standards Institute ("ANSI"), the Board of Governors of the Federal Reserve Board, or any other regulatory agency, clearing house or association. These requirements include, but are not limited to, ensuring the following information can clearly be read and understood by sight review of the check image:

- The amount of the check (both written and numeric); the payee; the signature of the drawer (maker);
- The date;
- The check number;
- The information identifying the drawer and the paying financial institution that is preprinted on the check including the MICR line; and
- All other information placed on the check prior to the time an image of the check is captured (such as any required identification written on the front of the check and any endorsements applied to the back of the check).
- Endorsements must be made on the back of the check within 1 1/2 inches from the top edge, although we may, at our sole and absolute discretion, accept endorsements outside this space. Your endorsement must include your signature or stamp and the words "FOR MOBILE DEPOSIT ONLY" under your signature or stamp. Any loss we incur from a delay or processing error resulting from an irregular endorsement or other markings by you will be your responsibility.

**7. Receipt of Deposit.** We reserve the right to reject any item transmitted through Business Mobile Deposit, at our discretion, without liability to you. We are not responsible for items we do not receive or for images that are dropped during transmission. An image of an item shall be deemed received when you receive a confirmation through your mobile device App. Receipt of such confirmation does not mean that the transmission was error free or complete.

**8. Original checks.** After you receive confirmation that we have received an image, you must securely store the original check for 14 calendar days after transmission to us and make the original check accessible to us at our request. Upon our request from time to time, you will

deliver to us within 10 calendar days, at your expense, the requested original check in your possession. If not provided in a timely manner, such amount may be reversed from your account. Promptly after such period expires, you must destroy the original check by first marking it "VOID" and then destroying it by cross-cut shredding or another commercially acceptable means of destruction. *After destruction of an original check, the image will be the sole evidence of the original check.*

You agree that you will never re-present the original check. You understand that you are responsible if the check is presented to another party and that party asks that we make a payment based on that original check that has already been paid.

**9. Returned Deposits.** Any credit to your account for checks deposited using Business Mobile Deposit is provisional. If original checks deposited through Business Mobile Deposit are dishonored, rejected or otherwise returned unpaid by the drawee bank, or are rejected or returned by a clearing agent or collecting bank, for any reason, including, but not limited to, issues relating to the quality of the image, you agree that an original check will not be returned to you, but that we may charge back the amount of the original check and provide you with an image of the original check, a paper reproduction of the original check or a substitute check. You will reimburse us for all loss, cost, damage or expense caused by or relating to the processing of the returned item. Without our approval, you shall not attempt to deposit or otherwise negotiate an original check if it has been charged back to you.

**10. Right of Setoff.** We may debit any of your accounts, including accounts other than the one on which the particular item was presented, to obtain payment for any item that has been rejected or returned, for any adjustment related to such item or for any warranty claim related to such item, whether or not the rejection, return, adjustment or warranty claim was made timely.
